SOLSONS[®]

Automatic Self Adjusting 13" Ratcheting Wrench

INT. REGD. OF PATENTS,
DESIGNS & COPYRIGHTS.

**THIS INDUSTRIAL WRENCH
REPLACES 31 WRENCHES**

RACK & PINION DESIGN.
ANGLED & OPPOSITE JAW-TEETH HARDENED UPTO 48±2 HRC.

- Self-adjusting & automatically sizes any nut / bolt.
- One wrench replaces 31 wrenches & operates 62 std. Sizes in MM (Metric), SAE (American) & Imperial (Inch).
- Even operates on rounded or stripped nuts / bolts.
- Does not slip on nut / bolt, as the harder your turn, the tighter it grips.
- Unique & quick ratchet - action. Time saving tool.
- Shock-proof Nylon-6 handle up to 1000 volts.
- Amazing Strength: 250 lbFt / 340 NM (Torque force).
- Capacity : **Metric (MM)** : 15 to 41 (M10 to M24).
SAE (American): 5/8" to 1 5/8".
BSW (Imperial) : 3/8" to 1 1/8" nuts / bolts.
- Weight (+ 5%) : 995 gms (35.10 oz) (individual pack)
19.900 kgs (701.95 oz) (20 pcs / carton).
- Quality approved by BSI (British Standards Institution), London, UK.
- Approved by US Department of Defence, Pentagon, Washington D.C., USA.
- Life time exchange warranty.
